FIRE TEST

Hertz is tested according to SS-EN ISO 11925-2

UPHOLSTERY MATERIAL

The fabrics for our sound absorbers are carefully selected and tested according to the standard set by all the manufacturers.
 Hertz is now available with your own unique photo or motif. The print is certified based on the requirements for the fabric selection that allows the amount of air required to achieve the right performance on the products.
 For price with your own photo/motif please contact Decibel customer support.
